термотрансфер

240x30мм

The diagram shows a dark blue thermal transfer bag with rounded corners and a white border. A horizontal zipper is located on the left side. A dashed white rectangle in the upper portion of the bag indicates a label area with dimensions 240x30mm.

240x120мм

This diagram shows the same thermal transfer bag as above, but with a larger dashed white rectangle in the center indicating a label area with dimensions 240x120mm.

300x170мм

This diagram shows the thermal transfer bag with a large dashed white rectangle covering most of the front surface, indicating a label area with dimensions 300x170mm.
